

## cf3 membership survey

In the Spring of 2010 Brian Pierson prepared and sent out a survey to our general list of about 450 emails. Here are a few screen grabs and a link to the survey. The survey started with this statement, "As we plan our 2010 schedule, we would like to solicit your feedback on past events, and better understand you current interests. The following confidential survey should take less than 10 minutes to complete.

If you would like someone to personally contact you regarding any of you responses, you will have an opportunity at the end of the survey to provide your contact information.  
Thank you for your time!"

Download the survey .

Many thanks to Brian Pierson who created the survey and also created the beautiful report . If you are wondering about the word "picture" it's a Wordl, you can do them yourself at <http://www.wordle.com>.
